Activities

Fun ABC's

Teaches the letters of the alphabet and vocabulary associated with them:

1. Barbie® will ask the player to find a letter.
2. To give an answer, press the correct letter on the keyboard.
3. If the answer is correct, Barbie® will teach a word that begins with the same letter.

Cookie Counting

Teaches number recognition and counting:

1. Barbie® is baking a tray of cookies. The player is asked to count them and press the correct number button to answer.
2. If the answer is correct, extra cookies will be added or taken away to introduce simple arithmetic to the player.

Shape Sense

Introduces shapes and colors and teaches association. (Only shapes 1-6 are playable from the keyboard).

1. An object of a specific shape will be shown on screen.
2. The player is asked to find the shape that matches the object shown on screen.
3. Barbie® will let the player know the color of the shape on the keyboard. To give an answer, find the correct shape and press on it.
4. This game teaches the player to identify 6 basic shapes: 1- circle, 2- heart, 3- triangle, 4- square, 5- diamond, 6- star.

Count & Style

Help Barbie® create a new style and practice counting and shape recognition at the same time!

1. The player will be asked to find a number of shapes to help Barbie® decorate her shirt.
2. The player needs to press the correct shape button according to the number of times Barbie® has asked for.
3. The shapes will be counted out as they are entered.

Puzzle Pieces

Introduces patterns in a sequence and teaches the concept of before and after:

1. A sequence will appear on screen and the player has to find the letter or number that forms the logical sequence.
2. To give an answer, key in the correct symbol to complete the sequence.

Letters Switch

Develops eye-hand coordination and teaches upper and lower case letters:

1. Random letters will move across the screen from different directions one at a time.
2. The player needs to press the corresponding letter to switch it to a different case.
3. There is about 6 seconds to switch each letter before it disappears off the screen.

Animal Dance

Develops memory skills and ability to follow instructions:

1. The animal on screen will call out a sequence of tones one at a time.
2. The numbers 1 2 3 4 will represent 4 different tones. When a tone is called, the number will bounce up.

3. The player will be asked to repeat the sequence of tones by pressing the correct number keys.
4. The player will need to remember the pattern and repeat the sequence as it is built up one tone at a time.

Musical Mystery

Develops music appreciation and teaches vocabulary and spelling through a music game:

1. Press a number button to hear a melody.
2. When the music is playing, 3 letters will bounce around the screen for 10-20 seconds.
3. When the melody has finished playing, the letters will form a mystery word which the player will have 2 - 3 seconds to memorize.
4. Afterwards, the mystery word will disappear off the screen and the player is asked to repeat the mystery word using the keyboard.
5. Hints will also be given to the player when needed.
6. When the player has keyed in all the letters, Barbie® will teach the player what word these letters spell.
